PLAY GROUND

PHYSICAL EDUCATION

Students get a lot of benefits from physical education classes at Lady Florence Convent School.

P.E. Classes can help students to become more aware of the importance of a healthy lifestyle. The students can also retain a higher level of knowledge as a result of the overall health. This knowledge can help them to make wise decisions concerning their safety, health, and wellbeing, improving their academic performances, developing social assimilation, reducing the levels of stress and anxieties, enhancing focus & imbibing nutritive skills, instilling a positive attitude and strengthening the importance of workouts and exercises.

SKATING:

Skating is a great way to improve health, strengthen muscles, and burn calories. It even improves flexibility and endurance.

Shows that a regular physical exercise refocuses your mind, helps kids learn more effectively, and can even improve the mood.

At Lady Florence Convent School, skating is an essential exercise that helps in the release of endorphins. Endorphins are known as “feel good” chemicals that your body releases. The release of endorphins keeps your brain sharp, protects your heart, offers relief from stress, connects you to others, and provides plenty more benefits to our smart and active Florians.
