## NEWS Letter

(APR 2023 TO SEP 2023)

# From Principal's Pen

***Mrs. Divya Dang***

Dear Parents and Students,  
Love and Blessings!

At the start of this session, when I sat down to reflect back on my experience of 25 years as educationist, I realized that there has been a huge leap that education has taken in terms of providing technological and 21 st century skill-based learning to students.

The school has decided to give an environment to the students where they would come together to learn the respect for nature, create art of their imagination, enhance their literary knowledge through classics and become part of known and unknown world through dramatics. In the first half of the session, students have explored the world of enormous possibilities through their participation in different club and house activities. I am certain that with the fine blend of modern and conventional methods, we can guide our students to introspection, where they can realize their hidden talents and fly high with the strong wings of confidence and creativity.

With this, I am presenting before you, our first newsletter of the session. Here is a glimpse of the life at LFCS. Hope to make you proud!

Best Wishes!

Principal

# Co-Curricular Activities at L.F.C.S

## “Happiness is a state of activities”

At LFCS, we constantly evolve and add new and exciting learning opportunities beyond the curriculum and classrooms. The significant objective of the school is to provide various platforms to the children that ensure their holistic development and nurtures their innate curiosity and intrinsic uniqueness. In consonance with this objective, as part of the regular routine through the academic year, the children are involved and exposed to a well-defined and comprehensive Co-curricular Programme ( Clubs, In & out school presentations, House presentations, Monthly skill-based workshops, Language sessions & Psychological sessions) that develop leadership skills, self-reliance, self-confidence, self-discipline, and a robust value system.

## Story Telling

### Story Telling :

Engaging kids in ST Sessions helps in filling their vocabulary bank with new words, expressions & voice modulations. Students learn to be creative, focused & Imaginative through these Exposures.

# Rhyming session

Rhyming Sessions are inducing confidence, willingness & group coordination in the little ones. It also encourages language & motor skills by hand & face gestures.

## Hand Print Activity, Red Day Celebration

Creative pursuits are important for the aesthetic development of all our little ones. It emphasizes on creativity, eye mind coordination, enhancing pencil grips & palm's strength for holding & carrying things.

## Scribbling Activity

Enhancing fine motor skills, strengthening finger joints & muscles, developing focus & energy are the main objectives of this activity. It also paves way to patience & helps in balancing the outpouring excessive energy of the Student.

## Earth Day

Special day celebrations make a child learn to connect with his / her heritage. It builds a bond with the environment where kids learn Values & Ethics to conserve & construct the buddy surrounding. Earth day reminds them of their Mother Earth & they learn to share & care.

## Mother's day

Mother's Day was celebrated with much pomp & show at the premises. Mesmerizing performance entertained & enthralled the Mothers filling the ambience with smiles, confidence & great participating spirit.

## Clubs

School clubs promote learning through interaction and discussion. Each club activity encourages students to develop a different attitude towards life. Students get an opportunity to show and develop their talents. Activities carried out in schools are useful not only for developing interests and hobbies, but also for developing leadership skills and social skills.

## World Emoji day

World Emoji Day is a delightful celebration observed on July 17th, 2023. On this day kindergarten students are encouraged to express their emotions and feelings using emojis. They have the opportunity to creatively describe their moods through various emojis which are colorful and expressive symbols representing emotions and actions. Through this celebration the little ones embrace the digital language of emojis fostering a sense of joy and connection.

## Teej Festival

Haryali Teej was celebrated with much pomp and show and it brought a great prosperity in the thoughts and actions of all the participants. The greenery in attires and the gladness of hearts was felt deep inside when beautiful vivid colored Kites soared high taking many promises and dreams to the horizons. Students enjoyed the phase of tranquility and ecstasy with their activities and actively engaged in all the moments.

Students were aesthetically involved in bringing a lot of flair and fragrance during the celebrations, Mehandi designs were beautifully flaunted and hands were graced with patterns, lines and magical curves which was a delight to see.

Kindergartens were extremely cheerful to put on the Ethnic wears and paraded on the class platforms, walking confidently to share the festive vibes.

Teej festival, brought an air of freshness and advent of festivity for all the hearts, souls and minds!

## Investiture ceremony

On 31st July 2023, an investiture ceremony was held at the school to appoint the new head girl and head boy along with other elected leaders. The event was filled with anticipation and enthusiasm as students and teachers gathered to witness the formal recognition of student leadership. The school principal emphasized the importance of leadership and its positive impact on the school community. The newly elected leaders were presented with badges symbolizing their roles and responsibilities within the school community. They pledged to serve with integrity, fairness and dedication upholding the school's values and guiding their peers towards a successful academic journey. Ceremony marked milestone for appointed leaders, showcasing school's commitment to nurturing responsible leaders.

## Movie time

It was planned for the students in the school premises. It releases the tensions, worries & tiredness of young minds diverting them towards entertainment, fun & freshness. It allows the students to visualize facial attributes & listen to vocals which contribute to language enhancement & develops front face speaking skills.

## Garden Activity

The nature is the greatest teacher for all the little hands. Garden activities teach bonding, calmness, empathy & trust to the little ones. They learn to heal the broken & protect the precious Environment with rebuilding & reapplying constructive measures like plantation & watering the plants.

## Inter House Poem Recitation Competitions

It helps a student in memorizing & choosing the right pitch & tone while enhancing the Language component. A child learns very quickly how to liaise the words in each line, glide from one word to another without pausing. We know poetry is closely related to musical traditions. The rhythm, the articulation, the poised position of imagination, the facial expressions, & the flight of pitches is the significance of this activity which was confidently done by the students.

The Students, were smiling & presented their compositions with utter patience & perfect stimulants, giving a glad shock of appreciation to the jury members.

Poem recitation Winners: -

Parth 5A (1st position) Bhavya Sharma-5C (1st position) Nilesh- 4A (2nd)

## Inter House Declamation Competitions

The most important spice in this activity is the reasoning value of the student & the skill to master persuasiveness. The ardent speakers were prepared to be confident to express their views on the speech they are delivering.

Declamation is a rhetorical exercise or a set speech. Such competitions assure that students learn to speak clearly with confidence which is a crucial ingredient to become an eloquent speaker.

The judgement is based on the facts that the students are delivering the text in a way that shows that they understand the material, have connected with it, and can deliver it clearly and effectively. Students are taught & are expected that they must not try to mimic the original speech giver.

Declamation Winners :- Vikram and Garvit from 8A

## Inter Branch Competitions

Competitions play a vital role in motivating students to perform and enhance their creative skills as well. Students from all the three branches of the school compete against one another in a variety of competitions during various interbranch competition. For various events, certain students represent their branch. Individual pupils or a group of students may serve as these representatives. Following the row of competitions, debate competition, slogan making and spellathon were organised in Sohna Branch

### Debate Competition Winners:-

Best Speaker for the Motion :- Nikki- Basai

Best Speaker against the Motion :- Sanchita - Sohna

Best Interjector :- Disha- Sohna

Best Team :- Team- B Sohna ( Aarushi , Hritambhra, Disha )

### Spellathon:-

Juniors - Sohna Branch

Seniors - Madanpuri

### Slogan Writing

1:- Riya-Madanpuri (Grade 8)

2:-Prachi-Madanpuri(Grade 8)

3:- Laxita- Sohna( Grade 8)

## Independence Day & Sports Day Event

It was the most awaited day at the branch, as it reflected energy, passion, enthusiasm and huge desire to play and win. The event commenced with Inter House Kho Kho match, which was the greatest moment of hope, aspiration and competition amongst the students. The match was played with great zeal and roar, which travelled to all the audience and the playground, was filled with cheers and applauds. The day had enormous magic which reflected the sparks of versatile games that were a part of this Sport day event.

Drills, Lazium, Rope skipping, Skating, Cart wheels, Dandiya , PT exercises , Dumble, Pyramid and Lathi were beautifully done and played on that day. Students were thrilled to participate and perform in all these activities and showcased their focus, concentration, physical abilities, and muscular athletic skills before all.

The students displayed team work and produced performances which were filled with the Adrenalin Rush.

The great roar of participations, and the zeal to come forward as Winners was heartwarming and welcoming for the respective branch!

## Rakhi festival

Rakhi festival was celebrated with much fervor & bliss in the school. The amicable unison of colors, the knitting of love & the knots of trust was gladly prepared by the students. While preparing the thread of faith, there was great conversations of this eternal bond of affection & affinity.

Teachers took initiatives towards building moments of nostalgia by telling mythological stories of brothers & sisters. The students were asked to keep the promises, sustain the trust & follow the trails of care & share towards their siblings.

Understanding each other & standing to care & illuminate the lives of their siblings by supporting in every possible manner was emphasized & ensured.

## Drawing and Poster Making Competition

It was a beautiful event organized by the respective authorities of Ocus Organizations to felicitate Independence Day

It gave an opportunity to the Students to explore, experience & exhibit the fruits of liberty. They were given freedom to dream, design, paint, draw & write their free views on freedom.

The ambience & the environmental preface gave an air of imagination to the artists which they sprinkled on the white faceless sheets.

The colors melted & carved way to explicit innovations & striking creations which were breathless & bold with their expressions.

The aesthetic approach was appreciated & awarded by the authorities by honoring the winners with beautiful Trophies & certificates.

### DRAWING COMPETITIONS WINNERS

1. Ridhima - 5A, II
2. Janvi - 6 A, III
3. Yashveer - 3, III
4. Gaurika - 1st III

### POSTER COMPETITIONS WINNERS

1. Nitin - 7 - III
2. Diya - 6A - I
3. Khanak - 9A - III

## Janamshatmi festival

School celebrated Janmashti with great fervor & devotion. Students were enthralled to exhibit themselves as small Krishna's & Radha's.

A beautiful ceremony was held to share the significance & teaching of Lord Krishna with everyone. The students marvellously presented dance forms to represent & remember the aesthetic image of Lord Krishna & how beautiful a dancer he was!

Songs were sung to appraise his mightiness & students were engaged in a thoughtful listening process wherein they learnt the virtues of Nanha Kanha.

Teachers ensured that values are inculcated in the students on this auspicious occasion!

# Recognition and Applause

We are extremely pleased with the academic excellence and nurturing environment at Lady Florence Convent School. Our child has shown remarkable progress in both studies and extracurricular activities, thanks to the dedicated and caring teachers.

The school's focus on character development and moral values in students is commendable. Our daughter has become more responsible and empathetic since joining Lady Florence Convent School.

We appreciate the regular communication from the school about our child's progress and the various workshops and seminars organized for parents to stay involved in their education journey.

Lady Florence Convent School provides a safe and secure environment for our children. The emphasis on safety measures and protocols during these challenging times has given us peace of mind.

The school's emphasis on promoting creativity and critical thinking has had a positive impact on our son's overall growth. The opportunities provided for students to showcase their talents through events and competitions are truly praiseworthy.

Lady Florence Convent School has been a Maestro in Integral education & enriching activities (Clubs, House competitions, events, festive celebrations, Assembly presentations, class involvements & inter school participations), it has since 30 years of its progressive journey kept the flame of Nurturing the kids with Holistic development & giving them a safe environment filled with the latest amenities alive & oscillating. The Star NEP school is successfully creating Global Intellectuals. Extremely proud of being a part of it!  
Meher Emmanuel - 9 A
